he Republicans of Ohio county achieved a magnificent victory yesterday. Captain Dovener's majority over day. Captain Dovener's majority over Blair, with seven precincts in Triadelphia and Liberty districts not in, is 1,161, and the missing precincts will undoubtedly increase this majority to more than 1,200. In the face of the Democratic ante-election claims that they would carry the county for Blair, this victory \$\frac{1}{2}\$ one that is thornoghly appreciated by the Republicans.

For the state senate, Mr. Whitaker has \$12 majority over John Waterhouse. The fact that Mr. Whitaker's majority is not equal to Captain Dovener's is not disparaging to the former, for many Democrats voted for Blair in order to insure the continuance of a Congress favorable to the President.

The legislative ticket has a majority of more than 1,000, and no candidate was cut particularly, all of them lining up with about the same strength when the votes were counted.

On the precincus that were reported up to an early hour this morning, Blgss, Republican, for superintendent of schools, had 72 majority over Weldman, Democrat, and he is undoubtedly elected by a majority of from 100 to 200, possibly more.

The Republicans made almost a clean Blair, with seven precincts in Triadel

ibly more. The Republicans made almost a clear

sibly more.

The Republicans made almost a clean sweep for the district offices. Of the ten county commissioners, the Republicans have bagged eight, in the face of the strong fight made for commissioners by the Democrats. Up in Washington district there was a slump and Jacob Kindelberger, Republican, was defeated by his Democratic opponent, Charles Stahnke. In Richland, Mr. North, Republican candidate for commissioner, was defeated, Richland going back to her old Democratic love. There were easy victories in Madison for Mr. McGregor, in Clay for Mr. Gutman, in Union for Mr. Tyson, in Ritchle for Mr. Fritz. In Centre, Andrew Hare made the best fight of the day; in the face of over sixty majority for Biair, Hare won over Auber by six votes. In Webster, Charles Moore, Republican, won from John C. Stroebel, a popular Democrat. Out in Triadelpha district, J. C. McCurdy, Republican candidate, last night claimed that he had been elected over Woods by 41 majority; as will be seen elsewhere only two precincts had been efficially reported last night. In Liberty district, Elsie Bowman, the Republican candidate, was successful to the tune of fifteen majority.

All of the Republican school commissioners were elected in the city, with the exception of Frank Stanton in Washington and Dr. C. H. Taylor in Centre. Mr. C. F. Brandfass. Democrat, was nearly successful in Union district, but fell a little short.

The Republicans elect nearly all of the justices of the peace and constables.

The returns were received and compiled at the office of Clerk Moffat, of the board of county commissioners, last night, and a large and enthusiastic crowd was present. The returns began coming in early, on account of the short ballot and only two tickets on it. At 9 clock seven precincts were in, and at 11 o'clock all of the city vote was in, and all but seven precincts were in, and at 10 clock all of the city vote was in, and all but seven precincts in the country, three in Liberty and four in Triadelphia. At 1 o'clock the office was closed, it being evident that the country precincts would not be reported until this morning.

The early returns indicated the great

til this morning.

The early returns indicated the great
Republican success, and a result was
the disappearance of the Democratic
contingent early in the night. They
were not able to stand by and witness
the Republican jollification that was in
processes.

THE DISTRICT OFFICES.

There were Many Intereresting Contes and the Republicans were Almost In-variably Successful—Details and Figures of the Minor Contest.

four o'clock had reached the limit. Squire Riddle, of the Republican committee, had to do some hustling before the polls opened to get two judges in his precinct. The two men originally appointed, J. W. Davis and Robert Newion, being candidates, were ineligible to be judges. The Republicans were extremely confident of the situation all day, but they never let up until the polls closed. The Democrats, on the other hand, took to their hill-climbing task as good as possible under the direcumstances. There wasn't the slightest disturbance reported, and the election goes on record as the quietest ever held in the town.

Twenty-four precincts were heard from with reference to commissioner, and these show 1,490 votes for Davis and 1,455 for Dunleyy. The precincts to be heard from leavy. The precincts to be heard from 1,490 votes for Davis and 1,455 for Dun-levy. The precincts to be heard from include Sand Hill, Webster, Franklin, Liberty and Mead districts, and Davis-chances are not overly bright if these districts should foom up with strong leanings toward Dunleys. The rest of the Republican ticket, however, is elect-ed beyond doubt. The country precincts will be heard from in their entirety to-

day.

Marshall didn't poll a heavy vote this year, and even Moundaville which generally votes to a man didn't poll all its votes. Aside from the incident in which W. M. Meighen figured, which is noted elsewhere, the election passed over very windth.

WILLIAM M. MEIGHEN ARRESTED At Moundaville Charged with Disturb-ance at the Polls.

W. M. Meighen, the Democratic chal-lenger at the court house precinct at Moundsville, was arrested yesterday afternoon at 1:30 o'clock, on complaint of
the judges of the election, by Deputy
Sheriff S. M. Cunningham and placed
in the county jail. Mr. Meighen had
been disturbing the election at different
times during the day—challenging votes
and not being willing to allow the voter
to make affidavit as the law provides.
He was warned by the judges and his
friends that if he did not stop raising
such disturbance and allow the election
to be conducted as the law provides
they would have him arrested. At about
3:30 p. m. by the consent of the election
judges, Meighen was released from jail
on a promise to refrain from disturbing
the election, and resumed his duties as
challenger. A petition of habeas corpus
was taken to Wheeling by Joseph Gallagher, and Judge Pauli ordered Meighen released on 3:50 ball, to appear fow a
hearing this morning. But when Gallaher arrived with the order, Meighen
was already at liberty.

Figures Coming in Slow but Indications Point to Republican Success.

CHICAGO, Ill., Nov. 8.—At 10 o'clock the indications were that the Republicans had elected their entire state ticket, but the figures were coming in slowly but the figures were coming in slowly from outside Chicago, and nothing could estimated with accuracy. The Democrats in many counties have shown gains over the vote of 1896, and they have apparently secured several congressmen in Cook county and several outside of it.

outside of it.
CHICAGO, 8.—Five and probably six
congressmen have been gained in
Illinois by the Democrats and the next
congressional delegation from this state
is likely to be evenly divided, eleven
Democrats and eleven Republicans. It
is possible for the Republicans to have is possible for the Republicans to have twelve of the twenty-two congressmen as all the returns are not yet in, but the indications are for an even split on the delegation.

WISCONSIN.

MILWAUKEE, Wis., Nov. 8 .- At 10 'clock to-night not enough returns have been received from the state to form anywhere near an accurate estimate on the outcome of the election.
Only sixty precincts have thus far reported, including ten in the city of Milwaukee, which give Scofield. Republican, for governor, 6,399 and Sawyer, Democrat, 5,502. On these figures Chairman Treat, of the Republican state central committee, figures that Scofield will carry the state by 40,000 plurality, and claims the legislature will be largely Republican, and at least eight out of ten congressmen will be returned from the Republican ranks.
Chairman Peck, of the Democratic committee, says not enough returns have been received to form any kind of an opinion.

CONCORD,- N. H., Nov. 8 .- Thirtyowns and wards in the state give Hollins, Republican, for governor, 4,034; Stone, Democratic, 3,001. The same towns and wards in 1896 gave Ramsdell, Republican, 4,300; Kent, Democrat It is estimated that Rollins' majority

Dr. Greene's Nervura, the Great Strengthener and Invigorator of Womankind.

Women are great sufferers from nervousness, weakness, nervous prostration and debility. Thousands of grisd droop and languish in the close, confined atmosphem of shops, factories or offices, and hundreds of thousands wear out their herve fore and power in household cares, family bereavements and responsibilities and work which never ends.

Here lies the great strain upon the nervous systems of women. Here is the cause why so many women complain of being weak, nervous, thred and exhausted, cause why so many women complain of being weak, nervous, thred and exhausted, duties without number. What wonder that such women go to bed at night fatigued, and wake thred and unrefreshed in the morning! What wonder that they become worn out, so to speak, in nerve and vital power! What wonder that they have great weakness, exhaustion, pains in the back and limbs, together with distressing female complaints which are always causing loss of vital strength and vigor. They are tired out and discouraged.

What women need is that great strengthener and invigorator of womankind, Dr. Greene's Nervura blood and nerve remedy—that remedy which rebuilds health and strength, purifies and enriches the blood, gives strength and vigor to the nerves, and the strong vitality and energy to the system which will enable women to do their work and yet keep strong and well.

Bo. Boston, Mass., says:

"I was completely run down and could not eat, for the sight of food made me sick. I did not sleep at night and was as tired in the morning as when I retired at night.

My head and back ached all the time. I was completely exhausted if I tried to do my housework my housework which is now a pleasure instead of being a burden as formerly. My weight has increased about twelve pounds in the last two months. I would recommend anyone afflicted as I have been, to by all means use this wonderful remedy, or by letter.

The legislature will be Republican by a considerable majority.

MARYLAND. -BALTIMORE, Nov. 8 .- Returns from more than two-thirds of the city indi-cate the election of McIntyre, (Rep.), cate the election of McIntyre, (Rep.), in the Fourth district, and Wachter, (Rep.), in the Third, the latter by a narrow margin. The election of Mudd, (Rep.), in the Feond, seems probable, although returns from the counties may change this outlook. In the Sixth district, George A. Pearre, (Rep.), is elected.

BALTIMORE, Md., Nov. 8.—Full and semi-official returns from the city of Baltimore and partial returns from the balance of the state make it reasonably certain that Maryland has returned four Republicans and two Democratic congressmen after an extraordinary close, but entirely listless election. This is a Democratic gain of two. The Democratic process of two the Democratic for the popular vote in Baltimore city for the first time in six years.

KENTUCKY,

LOUISVILLE, Ky., Nov. Democrats of Kentucky to-day carried nine and possibly ten out of the eleven nine and possibly ten out of the eleven congressional districts in the state, a gain of two or perhaps three over their last delegation. The Republicans carried only one district, the Eleventh solidly, but this was always conceded by their opponent as it mas been a Republican stronghold for years. In the Niath district the race between Fugh, Republican, and Williams, Democrat, is very close, both sides claiming it. The Republicans in the Fifth (Louisville) district, talk of contesting the election of Turner, Democrat, The vote throughout the state was the lightest known in years and he election was entirely devoid of excitement.

Republican Victory in California.

SAN FRANCISCO, Nov. 8.—10 p.m.—
Gage, Republican, probably elected Governor by plurality not less than 5,000. Republican state central committee claims all seven congressmen and also the legislature, but it is probable that the Democrats will secure congressmen from the Second and Fourth districts. Nota Vote Agrinat Wheeler.

BIRMINGHAM, Ala., Nov. 8.—A solid Democratic congressional delegation was elected from Alabama. Gen, Joseph Wheeler was unanimously re-elected in the Eighth, not a vote being cast against him.

Pingree Runs Abend in Detroit runs ahead of his ticket in Detroit, but to a much lesser extent than formerly. He has a good majority in this county. Republicans have probably elected the majority of members of the legislature from this city. For congress, Cornia, Republican, seems to show a small ma-jority over Pound, Democrat.
